A decorative floral illustration in the top right corner of the page. It features several stylized flowers in various colors: a large blue and green flower, a pink flower, a large red and blue flower, and a smaller orange flower. The flowers are connected by green stems and leaves, all rendered in a detailed, almost embroidered style with fine lines and dots.

THE VENUE

Ecology Pavilion, Mile End Park, 125 Grove Road, E3 5RP

The Ecology Pavilion ([view map](#)) is inside Mile End Park but can be also be accessed from Grove Road.

There are two Pavilions in the Park (the Art Pavilion and the Ecology Pavilion) so please don't end up at the wrong one.

There is no parking at the Pavilion and it can be quite difficult to find spaces in the area so we'd advise coming by taxi or public transport – Mile End Tube Station on the Central Line is a five minute walk away.

A decorative floral illustration in the top right corner. It features a green vine with several flowers. One large flower is pink with blue and green accents. Another is orange with green and blue accents. There are also smaller pink and orange flowers. The flowers have a dotted or stippled texture.
